DOCKET NO. 2007-40-S - ORDER NO. 2007-576
AUGUST 23, 2007

IN RE: Application of Shoals Sewer Company, Inc.)	ORDER GRANTING
for Approval to Transfer its Sewer Utility)	COMPANY'S REQUEST
System and Territory Serving The Shoals)	TO DISMISS WITHOUT
Subdivision and Anchor Point)	PREJUDICE
Condominiums in Anderson County to Jay)	
M. Salley and Bonnie J. Santos)	
)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Shoals Sewer Company, Inc. (Shoals or the Company) to withdraw its Application without prejudice in this Docket and to re-file an Application when a contract for sale has been finalized. Because of the reasoning stated below, we grant the request.

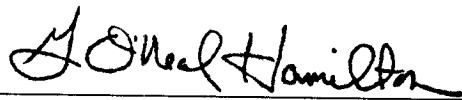

On or about January 25, 2007, Shoals filed an Application with this Commission to transfer the Company's assets to Jay M. Salley and Bonnie J. Santos. Subsequent to the filing of the Application, it was discovered that Mr. Salley and Ms. Santos could not meet certain criteria to operate the system. Accordingly, a new purchaser, JACABB Utilities, L.L.C., has been found for the assets of the Company, but a contract for sale with this new purchaser has not been finalized. Accordingly, Shoals requests that it be allowed to withdraw its Application without prejudice and, further, that it be allowed to re-file its Application when a contract for sale has been finalized. Neither the South Carolina

Department of Health and Environmental Control, nor the Office of Regulatory Staff has an objection to the request.

For the above-stated reasons, we grant Shoal's request. The Company is hereby allowed to withdraw its original Application without prejudice, and it shall be allowed to re-file an Application when a contract with the new purchaser has been finalized.

This Order shall remain in full force and effect until further Order of the Commission.

G. O'Neal Hamilton, Chairman
